

Run (feat. YG & Milla)

Furious

Run, Run, Run, Run, Run, Run,
Ten,
Twenties,
Fifties,
Hundreds (Hell yea),
Hold up let me count this money,
Bring that ass back, come get it from me (Hell yea),
Hundreds in the air,
Keep that booty running, running, running, x5Ya get money, my team call it play time,
I'm drunk, ass spilling from the bass line,
in the club, twenty deep with he frenchside,
when you see me can i get a high five (high five),
Watch so flow, call it coldcone, furious fly
