

Big Dogg Status

Lil' Wayne

Young face slangin', ya, ya, ya
Heavyweight, got a bad bitch in every state
On the grind, nonstop till I touch this cake
Mark ass niggas, stay the fuck up out my way I be true OG, you can quote what I say
I'm a H town nigga from around the way
Southside, ridin' dirty like I'm UGK
Asshole by nature like my name was Tre And I don't gang bang, I control the game
What I'm representin' here's puttin' holes in brains
Oh, I say the same thing till I'm old and gray
For I falloff and rap about my clothes and chains Grippin' grain and poppin' trunks, Dawg, that ain't me
These elbows hit the scene back in '83
I stay street with it, dun asked that
You can find me in your hood pumpin' monster crack I rollover rodents with rims on 'em
Sniffing out a rat, I expose them and then bend on 'em
I lotta bitches but they claiming they OGs
A straight up pussy, he claims he knows me See, I puttin' out these weeds
Let my shit hit the streets, he got to squat to pee
Got them eggs on these beams so they watchin' me
Might trap for a rat, pussy watch and see I been straight for a long time gettin' checks for a long time
Gettin' Jake for a long time, E and J for a long time
Nigga, try to get like me, been a G for a long time
Been in the streets for a long time
Toting heat for a long time, nigga, try to get like me I got Big Dogg status, I got Big Dogg status
I got Big Dogg status, I got Big Dogg status
I got Big Dogg status, I got Big Dogg status
I got Big Dogg status, I got Big Dogg status It's your price but I ain't scared
It's my pleasure to say it right, don't think I ain't said
They got prices on my nigga, I don't slip
Clips longer than giraffe necks, that's why I don't trip Just open up and let 'em rip, nothing new to a G
Hey, I ain't worried about these niggas till they shoot at me
My partner died, daughter too, your excuses to me
Still a busta ass rapper, I'm refusing to be Scarface seem to think I'm the king
You're a fool if you think
There's another new, young rapper dude
Out there that's cooler than me I choose in the V, brand new with the beat
I live real life like I say, I do in the beat
Yeah, true indeed, I do indeed
Do it for the OGs and the true MCs Them bustas say this year I got brand new and it's all phat
But the fightin' in the club, I'm done with all that

Nigga, his ass out of line, then his ass gettin' whacked
 Give a west side ten stacks and that's that
 But maybe less as a matter of fact
 Nigga don't be testin' the professor, What's the matter with cats I been straight for a long time gettin' checks for
 a long time
 Gettin' Jake for a long time, E and J for a long time
 Nigga, try to get like me, been a G for a long time
 Been in the streets for a long time
 Toting heat for a long time, nigga, try to get like me I got Big Dogg status, I got Big Dogg status
 I got Big Dogg status, I got Big Dogg status
 I got Big Dogg status, I got Big Dogg status
 I got Big Dogg status, I got Big Dogg status I Been doing this shit, nigga who are you
 Little nigga, I done seen keys bigger than you
 Nigga, you ain't know shit
 Cut off a nigga head, make him suck his own dick
 How the game go Money over bitches and flowers over snitches
 Money over bitches and flowers over snitches
 Mr., Mr. Scarface, pistol into yard fish
 (What the hell is this?)
 Mr., Mr. Scarface, pistol into yard fish
 (What the hell is this?)
 Yah Came here to exercise my game
 Spreadin' love to the hood's, how I do my thang
 Smokin' with my homies, barbecuing them wangs
 Sip hennesy and coke, 'cause I don't fuck with dranks Hoe pop pills either 'cause that shit ain't coll
 We just drunk and mad dawg for we went to school
 Lik off back then I was smashin' boys
 Jump wrong, you saw a nigga get his ass destroyed Same rules right now, I demand respect
 If I slap one hoe then her man's is next
 I'm a kick door robber, a hot shot driver
 A crack rock slingin' muthafucka for a dollar If you dare to be laid then off in the acky
 But if it ain't no way then best believe, I'm take it off a
 A nigga with no hustle, it ain't work it yet
 And a bitch like that is even worse than death Out in the hood bullshittin' is what this game can cost him
 And if a nigga can't maintain mane he lost it
 Be a nerd and they fuck nerds in jail I heard
 As a nigga, I'm up in here with my balls and my word I been straight for a long time gettin' checks for a long
 time
 Gettin' Jake for a long time, E and J for a long time
 Nigga, try to get like me, been a G for a long time
 Been in the streets for a long time
 Toting heat for a long time, nigga, try to get like me I got Big Dogg status, I got Big Dogg status
 I got Big Dogg status, I got Big Dogg status
 I got Big Dogg status, I got Big Dogg status

I got Big Dogg status, I got Big Dogg status
