Death Cloud

Cloud Control

Do as I say, as I say

(Oohaaaa, oohaaaa)

Drive, drive into the desert

(Oohaaaa, oohaaaa)

You don't know why

You don't know why With his pretty wife

And the garden gnomes

In the park at home

He saw a UFOMaybe it's a death cloud

Maybe it's a death cloud

Maybe it's a death cloud

Maybe it's a death cloudDo as I say, as I say

(Oohaaaa, oohaaaa)

Hide, hide among the statues

(Oohaaaa, oohaaaa)

You don't know why,

Why, why whyWith his pretty wife

And the garden gnomes

In the park at home

He saw a UFOMaybe it's a death cloud

Maybe it's a death cloud

Maybe it's a death cloud

Maybe it's a death cloudYou don't know why

(You don't know why)

You don't know why

(You don't know why)

You don't know why

(You don't know why)

You don't know why

(You don't know why) You don't know why

You don't know why And I know why

And I know why

Oh it's a pattern, baby

It's a pattern, babyAnd I know why

And I know why

Oh it's a pattern, baby

It's a pattern, baby
