# Silent Teacher

## Creed

Silent Teacher hold my hand
And lead me to the promised land I know
Silent Teacher, please define
This ordinary life it won't bring me to find it
Me to find it
I want to live with my head in the clouds
I want to stumble when I walk to find light
Can you tell me which way to go?
So I can bury it with all of my might
Silent teacher - promise me
Silent teacher - promise me
This ordinary life won't bring me to find it
Me to find it
I want to live with my head in the clouds
I want to stumble when I walk to find light
Can you tell me which way to go?

So I can bury it with all of my might
Can we save everyone?
Or do we wait until the damage is done?
Can we save everyone?
Or do we wait until the damage is done?
I want to live with my head in the clouds
I want to stumble when I walk to find light
Can you tell me which way to go?
So I can bury it with all of my might
I want to live with my head in the clouds
I want to stumble when I walk to find light
And can you tell me which way to go?
So I can bury him in all of my mind
Can we save everyone?
Or do we wait until the damage is done?
Can we save everyone?
Or do we wait until the damage is done?
