

# Quiet

[John Mayer](#)

Midnight, lock all the doors  
And turn out the lights  
Feels like the end of the world  
This Sunday night There's not a sound  
Outside the snow's comin' down  
Somehow I can't seem to find  
The quiet inside my mind Three O two  
The space in this room  
Has turned on me  
And all my fears  
Have cornered me here  
Me and my TV screen The volume's down  
Blue lights are dancing around  
And still I can't seem to find  
The quiet inside my mind
