Think About You

Guns N' Roses

I say, "Baby you been lookin' real good

You know that I remember when we met"

It's funny how I never felt so good

It's a feelin' that I know, I know I'll never forgetOoh, it was the best time I can remember

Ooh, and the love we shared

Is lovin' that'll last foreverThere wasn't much in this heart of mine

There was a little left and babe you found it

It's funny how I never felt so high

It's a feelin' that I know, I know I'll never forgetOoh, it was the best time I can remember

Ooh and the love we shared

Is lovin' that'll last foreverI think about you

Honey all the time my heart says yes

I think about you

Deep inside I love you best

I think about you

You know you're the one I want

I think about you

Darlin' you're the only one

I think about you think about you

You know that I do

I think about you

All with love, only you

I think about you

Ooh, it's true

I think about you

Ohh, yes I doSomethin' changed in this heart of mine

An' you know that I'm so glad that you showed me

Honey now you're my best friend

I wanna stay together till the very endOoh, it was the best time I can remember

Ooh and the love we shared

Is lovin' that'll last foreverI think about you

Honey all the time my heart says yes

I think about you

Deep inside I love you best

I think about you

You know you're the one I want

I think about you

Darlin' you're the only one

I think about you think about you

I think about you
I think about you, only you
I think about you, only you
I think about you, only you
I think about you
Only you, only you
Only
