

No Damn Good

[Gary Allan](#)

Well, I ain't too sure about this so called trial separation
I mean it's been three whole days and I don't know if I can take anymore
And I know I'm the constant source of your frustration
But here I am again knocking at your door And I'm just no damn good, am I baby
And I'm just no damn good, I know it's true
'Cause everyday I go a little more crazy
And I'm just no damn good at not loving you Well, who had the bright idea to do this kind of thing anyhow?
If it was me, well, then obviously I was off the wall
Well, I don't blame you a bit for feeling angry now
You're right, I'm wrong, I wasn't supposed to call And I'm just no damn good, am I baby
And I'm just no damn good, I know it's true
Everyday I go a little more crazy
'Cause I'm just no damn good at not loving you No good at not holding
No good at not seeing
No good at not showing you
How much I care And I'm just no damn good, am I baby
I'm just no damn good, I know it's true
'Cause everyday I go a little more crazy
I'm just no damn good at not loving you Everyday I go a little more crazy
'Cause I'm just no damn good at not loving you
