

Shadow Of A Soul

Godsmack

Anywhere I go, anything I try
Anyone I love is compromised Everyone I see, staring on back at me
Why can't you let me be Oh, so far from home being shallow and alone
And why can't you see its tearing away what I used to be
I'm a shadow of a soul I don't know how to run, I don't know where to hide.
The old me is dead and gone inside What will you think of me, when all that you'll ever see
Is only a part of the other me. Oh, so far from home being shallow and alone
And why can't you see its tearing away what I used to be
I'm a shadow of a soul Oh, I'm so far from home being shallow and alone
And why can't you see its tearing away what I used to be
I'm a shadow of a soul
