Magic Is the Moonlight

Cliff Richard & The Shadows

Magic is the moonlight
On this lover's dream night
As I see the moonlight
Shining in your eyesCan't resist their power
In this moon lit hour
Love being any flower
This is paradiseLiving in the splendor
Of your kiss so tender
Makes my heart surrender
To your love divine
Magic is the moonlight
More than any dream night
Magic is the moonlight
For it made you mineLiving in the splendor
Of your kiss so tender
Makes my heart surrender
To your love divine
Magic is the moonlight
More than any dream night
Magic is the moonlight
For it made you mineMagic is the moonlight
For it made you mine
