

Blood on Your Hands

[Lesley Roy](#)

I've been fading in and out
In and out of this haze
[?] As she left me when you run out
Ran out yesterday

The bed still smells like you
And all you made me do
While begging you to stay
I begged you to stay
I begged you to stay

Cause I, I might die tonight
Die from a broken heart
Die from a broken heart, oh
Cause I, I might die tonight
And you have blood on your hands
Yeah, you have blood on your hands
You have blood on your hands

I know you ain't coming back
Coming back for your things
I guess I'm left to lose insanity and memories

The bed still smells like you
And all you made me do
While begging you to stay
I begged you to stay
I begged you to stay

Cause I, I might die tonight
Die from a broken heart
Die from a broken heart, oh
Cause I, I might die tonight
And you have blood on your hands
Yeah, you have blood on your hands
You have blood on your hands
