

Gold Skull (produced by Neon Indian)

Miniature Tigers

Think I'll stay home and chill out here tonight

I'm turnin' off my cell phone

And I will shine in the sky as the sun with sunglasses

And I need to take a break I watched my mind go down in the smoke in a cannon

(Look away, look away, look away, look away, look away)

I watched your tides go through my window that kisses

(Look away, look away, look away, look away, look away)

(Ooh, ooh)

Meaning of gold skull Found myself alone and on your couch last night

In a black hole of misery

And I will shine in the sky as the sun with sunglasses

And I need to take a break I watched my mind go down in the smoke in a cannon

(Look away, look away, look away, look away, look away)

I watched your tides go through my window that kisses

(Look away, look away, look away, look away, look away)

(Ooh, ooh)
