

It Will Be Alright

Alexis Spight

Verse 1

My mama told me if I can just hold on
Never lose your faith
Just keep pressing on
The struggle will be over
In a nick of time
It will be alright I've walked down this road
Many time before
But He has never failed
To keep me in his arms
The struggle will be over
in a nick of time
It will be alright Chorus
It will be alright
It will be alright
God will take my burdens
If I just hold on

It will alright Verse 2 Weak and wounded from the trials of life

Dreams have been shattered
Because I've slipped on ice
God will come and save me
In the nick of time
It will alright Chorus Bridge
God will take care of me
No matter the test or the pain of my past
God will deliver me

At all times Verse 3 No light is shining

The path is not so clear
He brought me this far
Though I can't him near
The struggle will be over
If I just hold on
It will be alright
Chorus (Modulation)
Chorus (2nd Modulation)
Turnaround

God will take my burdens if I just hold on
God will never leave me if I stay strong

God will see me through yes and it won't be long
