

# Memphis Hip Shake

## The Cult

You got a perfect way  
All the things that you play  
Cut clearly like a knife to the bone  
Mama's calling you, you'll never get back home  
Never get back home, never get back homeCool operator with a rattlesnake kiss  
Angelic poses that never miss  
Reverberation shuffle to the bone, yeah  
Shake the world to the ground  
Memphis hip swinging to the guitar soundAll the time baby, all the time, yeah  
Baby, get it while it's real good, yeah  
All around the world sure do need guitar, yeah  
You'll never get back home, no, no, no  
You'll never get back home, yeahCool operator with a rattlesnake kiss, yeah  
Angelic poses that never miss, no they don't  
Reverberation shuffle to the bone, yeah  
Shake the world to the ground  
Memphis hip swinging to the guitar sound, yeah
