(I'm Gonna) Cry Myself Blind

Primal Scream

Nothin' last forever
It's so sad to lose your love
I've been crazy since you left me
I'm sorry for what I've doneWhy did you go?
Why did you go?Have you ever had a broken heart
Have you ever lost your mind
Have you ever woke up screamin'
'Cause you're so lonely you could dieWhy did you go?
Why did you go?I'm lonely baby
Cry, cry, cry, cry, cry, cry
I'm gonna cry myself blind
Cry, cry, cry, cry, cry, cry
I'm gonna cry myself blindGood times don't come easy
Dreams don't all come true
The world looks like a prison
When you're stingin' with the bluesWhy did you go?
Why did you go?I'm lonely baby
Cry, cry, cry, cry, cry, cry
I'm gonna cry myself blind
Cry, cry, cry, cry, cry, cry
I'm gonna cry myself blindCry, cry, cry, cry, cry, cry
I'm gonna cry myself blind
Cry, cry, cry, cry, cry, cry
I'm gonna cry myself blindCry, cry, cry, cry, cry, cry
Cry, cry, cry, cry, cry, cry
