

(I'm Gonna) Cry Myself Blind

Primal Scream

Notin' last forever
It's so sad to lose your love
I've been crazy since you left me
I'm sorry for what I've done Why did you go?
Why did you go? Have you ever had a broken heart
Have you ever lost your mind
Have you ever woke up screamin'
'Cause you're so lonely you could die Why did you go?
Why did you go? I'm lonely baby
Cry, cry, cry, cry, cry, cry
I'm gonna cry myself blind
Cry, cry, cry, cry, cry, cry
I'm gonna cry myself blind Good times don't come easy
Dreams don't all come true
The world looks like a prison
When you're stingin' with the blues Why did you go?
Why did you go? I'm lonely baby
Cry, cry, cry, cry, cry, cry
I'm gonna cry myself blind
Cry, cry, cry, cry, cry, cry
I'm gonna cry myself blind Cry, cry, cry, cry, cry, cry
I'm gonna cry myself blind
Cry, cry, cry, cry, cry, cry
I'm gonna cry myself blind Cry, cry, cry, cry, cry, cry
Cry, cry, cry, cry, cry, cry
