

A Day in the Life

Lindsay Lohan

Oh, oh, o-o-o-o-oh.
Oh, oh...Today is
So boring
I might as well be snoring
Because I'm living up a dream A zombie
With no react
Somehow I've run right off track
So insane
But so mundane
It makes me want to scream It's a day in the life
It's a link in the chain
Beginning; the ending
They both look the same
'round and 'round
No new ground It's a day in the life-
A redundant game
Winning or losing
There's nothing to gain
'round and 'round
No new ground
It's a day in the life It's just so
Simplistic
Trying to be optimistic
A part of me won't give that hope Well it's my own
Disfunction
That always leads to nothing
But it seems it's the only way
The only way to go It's a day in the life
It's a link in the chain
Beginning; the ending
They both look the same
'round and 'round
No new ground It's a day in the life-
A redundant game
Winning or losing
There's nothing to gain
'round and 'round
No new ground
It's a day in the life 'Cause nothing ever changes anymore

It makes me wonder what tomorrow's for It's a day in the life

It's a link in the chain

Beginning; the ending

They both look the same

'round and 'round

No new ground It's a day in the life-

A redundant game

Winning or losing

There's nothing to gain

'round and 'round

No new ground

It's a day in the life Oh, oh, o-o-o-o-oh

Oh, oh, o-o-o-o-oh

Oh, oh, o-o-o-o-oh

Oh, oh.
