

Fido, Your Leash Is Too Long

The Magnetic Fields

Fido, your leash is too long
You go where you dont belong
Youve been digging in the rubble
Gettin bitches in trouble
Fido, your leash is too long Fido, your leash is too long
I dont know where I went wrong
You scare me out of my wits
When you do that Shitzhu
Fido, your leash is too long Fido, youve gone far enough
I must have all of your love
You just run out of luck
I dont care what you foxhounds do
But your leash is too long
