

Believe in the Boogie

Mark Owen

Oh oh oh oh oh
(Oh oh oh oh oh)
There's a friend of mine
Who's wasting all his money Oh oh oh oh oh
Think he's had his time
Think he's lost his mind
Still a friend of mine Oh oh oh oh oh oh oh oh oh
Oh oh oh oh oh
Could have had it all
(It all, it all)
From the Albert Hall
To the Uni-ball, how the mighty fall? But I see them and us in you and me
Who was once was before again maybe 'Cos I believe in the boogie baby
Times are changing, everything will come around
We're just moving in circles baby
All or nothing, everything will come around Oh oh oh oh oh
(Oh oh oh oh oh)
He's a lonely gone
But isn't everybody Oh oh oh oh oh
Pleased to meet the sun
Pulls himself undone
Life can weigh a ton But I see them and us in you and me
And what was lost before again could be 'Cos I believe in the boogie baby
Times are changing, everything will come around
We're just moving in circles baby
All or nothing, everything will come around I believe in the boogie baby
Times are changing, everything will come around
We're just moving in circles baby
All or nothing, everything will come around I believe in the boogie baby
Times are changing, everything will come around
We're just moving in circles baby
All or nothing, everything will come around I believe in the boogie baby
Times are changing, everything will come around
We're just moving in circles baby
All or nothing, everything will come around
