

# A Song For You

## Perkele

I've been so many places in my life and time  
I've sung a lot of songs, I've made some bad rhyme  
I've acted out my life in stages with ten thousand people watching  
But we're alone now and I'm singing this song for you  
I know your image of me is what I hope to be, I've treated you unkindly  
But girl can't you see, there's no one more important to me  
So darling can't you please see through me, 'cause we're alone now  
And I'm singing my song for you, you taught me precious secrets  
The truth with holding nothing, you came out in front  
And I was hiding, oh, but now I'm so much better,  
So if my words don't come together, listen to the melody  
'Cause my love is in there hiding  
I love you in a place where there is no space or time, I love you for my life  
You are a friend of mine, and when my life is over  
Remember, remember, remember when we were together  
And we are alone now, and I was singing this song to you  
We were alone, and I was singing, yeah singing  
We were alone, and I was singing this song for you  
Singing my song, I'm singing my song for you
