Sleepwalk (Live-Helsinki)

Stray Cats

I fell in love and I needed a road map
To find out where you lived so excited, nowSleepwalking
'Cause I'm sleepwalkingThe white trash boys listen to the headphones
Blasting white noise in the convenience store parking lot
I hung around there wasting my time hoping you'll stop by'Cause I'm sleepwalking
I'm sleepwalkingA mutual friend's parents left town for a week
So we raided their liquor stash, walked down to the riversideSleepwalking
'Cause I'm sleepwalking
