Sound Of Sounds

Gomez

Do you ever stop and wonder
Where you'd be without her
Do you listened, do you listened
Do you listened to what she said to you
The sound of sounds ain't lightning
The whisper, the promise, the solace
Of where you're lead to me, yeah
The sound of sounds ain't lightning, yeah
Her sound of sounds ain't lightning
Have you forgotten who you are
(Have you forgotten who you are)
Have you forgotten who you are
(Have you forgotten who you are)
Could you ever stop and wonder
Could you live without her
The sound of sounds ain't lightning, yeah
The sound of sounds ain't lightning, yeah
The sound of sounds ain't lightning, yeah
(The sound of sounds ain't lightning)
The sound of sounds ain't lightning
