

# Dance Hall Drug

## Boys Like Girls

Grown up, she just turned 16  
Stuck in the moment and dead at the scene  
And it's on tonight, this is the life that you wanted, right?  
So turn off all the lights  
Dressed up just like a movie star  
At all the parties, they'll know who you are  
Wouldn't it be great to be fashionably late?  
So why don't you wait till you're sedated?  
Don't it feel like something's not right in his kiss tonight?  
Yeah, what I'm saying is  
Do you, do you want to lose it all?  
'Cause this is more than just a dance hall drug  
You can't wait to fall in love  
All I'm saying is  
Do you, do you want to learn to fly?  
Then you should pack it up and say goodbye  
'Cause when the push comes to the shove  
It's just a dance hall drug  
Step in and you can lock the door  
The candles are lit and the clothes on the floor  
You could take a chance on finding romance  
Now you're holding hands but he's got other plans  
Tick-tock, the clock is turning red  
The room won't stop spinning and thoughts in your head  
And it's too late, you feel like you're making a big mistake  
You should've waited  
Don't it feel like something's not right in his kiss tonight?

Yeah, what I'm saying is  
Do you, do you want to lose it all?  
'Cause this is more than just a dance hall drug  
You can't wait to fall in love  
All I'm saying is  
Do you, do you want to learn to fly?  
Then you should pack it up and say goodbye  
'Cause when the push comes to the shove  
It's just a dance hall drug  
Just wait, love, show 'em what you're made of  
Don't it feel like something's not right in his kiss tonight?

Do you, do you want to lose it all?  
'Cause this is more than just a dance hall drug  
You can't wait to fall in love  
All I'm saying is  
Do you, do you want to learn to fly?  
Then you should pack it up and say goodbye  
'Cause when the push comes to the shove  
It's just a dance hall drug  
Do you, do you want to lose it all?  
'Cause this is more than just a dance hall drug  
You can't wait to fall in love  
All I'm saying is  
Do you, do you want to learn to fly?  
Then you should pack it up and say goodbye  
'Cause when the push comes to the shove  
It's just a dance hall drug
