Justified

Amen

This is it in the lions share
Tied to this bed + I can't stand no more
Do you need what I need
In this vault of disease
Take your sides content to bleed
Your revolution died with all your greed
I set the time to all the lies
Of those in bed without a bind
Inside this church
We will burn all the loves
Of the women
Inside this church
We will burn all the lives
Of the damaged
Unjustify. Killed desireDo you bleed what I bleed
In this house of the needGenocide in where I live?
I can't forget too much + can't forgive
I'm just a fool with severed eyes
With severed lies with severed eyes
Inside this church
We will burn all the lives of the women
Damaged, damn, live, living, living
Unjustify
Get up and walk away
From this blaming halo
Got to move and set fire
To your church
Move to the living
Justify the testified...petrified...obey
Walk away it's just a flaming halo
In this blame invention
Get up and set fire
To your church
