

# I'm Doin' Me

**Fantasia Barrino**

Yeah, Yeah, Yeah, Yeah

Yeah Oh

Said I, Said I Yeah Yeah

Yeah, Yeah, Yeah Sometimes as women we give more than we should to a man

That just don't treat us good, No

Gave him my heart, my time, did all that I could, in the past

To keep him here with me yeah But now I woke up, opened both my eyes up, realize that I don't need any other

Man, if he can't love me equally, then he don't need to be with me

Nothing more beautiful than knowing your worth & need

I know exactly what I deserve, Oh, Oh, Oh Chorus:

I'm doin me, this time around

I'm doin me, don't need you now, I'd rather be by myself

I won't let your drama hold me down

I'm doin me, this time around

I'm doin me, cause I've found it now, I'd rather be by myself

I'm doin me yeah Won't spend another minute wasting my time on a man, Oh

That only tells me lies, No

Ain't saying No No No No, that I don't need love, but them games, Yeah

I don't need that in my life, No Chorus

Vamp Now I could pray for you to act right everyday

But it ain't up to me to make you change, hey yea, yeah

Life is so damn short to live unhappily, yea

So I'm being selfish, putting myself in 1st place Chorus
