

Fall to Pieces (Live In Summer Sonic 2004)

Avril Lavigne

I looked away
Then I looked back at you
You tried to say
Things that you can't undo
If I had my way
I'd never get over you
Today's the day
I pray that we make it through
Make it through the fall
Make it through it all And I don't want to fall to pieces
I just want to sit and stare at you
I don't want to talk about it
And I don't want a conversation
I just want to cry in front of you
I don't want to talk about it
'Cause I'm in love with you You're the only one
I'd be with 'til the end
When I come undone
You bring me back again
Back under the stars
Back into your arms And I don't want to fall to pieces
I just want to sit and stare at you
I don't want to talk about it
And I don't want a conversation
I just want to cry in front of you
I don't want to talk about it
'Cause I'm in love with you Want to know who you are
Want to know where to start
I want to know what this means
Want to know how you feel
Want to know what is real
I want to know everything, everything And I don't want to fall to pieces
I just want to sit and stare at you
I don't want to talk about it
And I don't want a conversation
I just want to cry in front of you
I don't want to talk about it And I don't want to fall to pieces
I just want to sit and stare at you
I don't want to talk about it

And I don't want a conversation
I just want to cry in front of you
I don't want to talk about it
'Cause I'm in love with you I'm in love with you
'Cause I'm in love with you
I'm in love with you
I'm in love with you
