I'm Sorry

Evergrey

I painted a picture of you
Your soul was red and your mind was blue
And destiny laid a light on my creation
This dream I had made a slave of my passion
Reality was always too far awayAnd we were happy until it came too close one day
Suddenly I faced the truth of my dream
My love had only been a picture, a scene
I suppose I needed to believe
Didn't want to see you had never been close to meAnd now I'm sorry
This illusion has caused you a lot of pain
And I have no solution
I'll try to never be back againI'm sorry
I'm sorry
I'm sorry
I'm sorryI painted a picture of you
My dream was a lie and the lie became truth
Reality held his breath too long
It's disgusting what dreams can doAnd I'm sorry
This illusion has caused you a lot of pain
And I have no solution
I'll try to never be back againAnd I'm sorry
This illusion has caused you a lot of pain
And I have no solution
I'll try to never be back againI'm sorry
I'm sorry
I'm sorry
I'm sorry
