

She Said Yeah (Instrumental)

Grafh

Babe girl... Babe girl
What's up... What's up
I wanna know do you like it ruff... like it ruff
Face down.... face down, ass up.... ass up
I ask shorty can I fuck, and she said yeahhhhh We could get it popping, they say it ain't tricking if you got it
Your man cheap he be sticking to his pocket
Your waist look slimmer than his wallet, bring friends
Bring me some exotic, pick any island
Bring something tropic, bring me something popping
With a mani and a Pedi with her feet done proper
With some D double knockers
If you need something holla
I see you little mama
Butt ass naked you don't need no pajamas
Ball in the club free throw dollar
Zero comma zero comma
Like swash swash

Bad influence, good girl type
