

# What Do I Care

[Johnny Cash](#)

When I'm all through if I haven't been what they think I should be  
If the total isn't high enough when they figure me  
When I grow old if there's no gray from worry in my hair  
What do I care? What do I care? What do I care just as long as you were mine a little while?  
When the road was long and weary you gave me a few good mile  
What do I care if I miss a goal because I make a slip?  
I'll still be satisfied because I tasted your sweet lips What do I care if I never have much money?  
And sometimes my table looks a little bare  
Anything that I may miss is made up for each time we kiss  
You love me and I love you, so what do I care? What do I care just as long as you were mine a little while?  
When the road was long and weary you gave me a few good mile  
What do I care if I miss a goal because I make a slip?  
I'll still be satisfied because I tasted your sweet lips
