

Something I Can Never Have

Nine Inch Nails

Advisory - the following lyrics contain explicit language:

I still recall the taste of your tears
Echoing your voice just like the ringing in my ear
My favorite dreams of you still wash ashore
Scraping through my head 'til I don't want to sleep anymore You'll make this all go away
You'll make this all go away
I'm down to just one thing
And I'm starting to scare myself You'll make this all go away
You'll make it all go away
I just want something
I just want something I can never have You always were the one to show me how
Back then I couldn't do the things that I can do now
This thing is slowly taking me apart
Grey would be the color if I had a heart Come on, tell me
You'll make this all go away
You'll make this all go away
I'm down to just one thing
And I'm starting to scare myself You'll make this all go away
You'll make it all go away
I just want something
I just want something I can never have In this place it seems like such a shame
Though it all looks different now
I know it's still the same and everywhere I look you're all I see
Just a fading fucking reminder of who I use to be Come on, tell me
You'll make this all go away
You'll make this all go away
I'm down to just one thing
And I'm starting to scare myself You'll make this all go away
You'll make this all go away
I just want something
I just want something I can never have
I just want something I can never have
I can never have
