Showgirl

Luke Haines

Oh so incredible,
Love the way you roll,
Straight up on your toes,
You just made the show,
My sexy cameo,
Now you're in the spotlightGirl if there's a ticket I'd like to buy it,
Wouldn't miss you for the world,
'Cos you're more than some dressing room excitement,
You deserve an encore,
Can you hear them screaming yeah?Showgirl,
Don't know it but you make me wanna scream your name,
I see you standing at the show, girl,
And got it made
As soon as the spotlight's on you tonightOh, girl I see you deep in the zone,
You make me wanna give you a microphone,
So you can go and sing my song,
I'll be waiting in the wings for,
You to lead me back on,
Baby we can do this all night long,
Have the people screaming yeah yeah, yeah yeahIs there someway I can get you by my side?
We can be a duo,
Girl I've been looking at you all night,
I'm your number one fan,
Might hear me screaming yeahShowgirl,
Don't know it but you make me wanna scream your name,
I see you standing at the show, girl,
And got it made
As soon as the spotlight's on you tonight
