

# The Air That I Breathe

**Barry Manilow**

If I could make a wish, I think I pass  
Can't think of any thing I need  
    No cigarettes, no sleep  
    No light, no sound  
Nothing to eat, no books to read  
    Making love with you  
    Has left me peaceful  
    Warm and tired  
    What more could I ask?  
There's nothing left to be desired  
    Sometimes, all I need is the  
        Air that I breath and to love you  
        All I need is the air that I breathe  
            Yes to love you  
            (How, I love you)  
All I need is the air that I breathe  
    Peace came upon me  
    And it leaves me weak  
    Sleep silent angel  
Go to sleep  
    Sometimes, all I need is the  
        Air that I breathe and to love you  
        All I need is the air that I breathe  
            Yes to love you  
            (Yes to love you)  
All I need is the air that I breathe  
    All I need is the air that I breathe  
        All I need is the air that I breathe
