## The Afghan Whigs

Advisory - the following lyrics contain explicit language:

You can believe in me, baby  
Can I believe in you?  
What you don't know can hurt you, child  
All the things a mind can do to youIf I go bad from time to time, love to love  
But love is not my only crime  
Bathe the path, shine the light  
Better get your ass up on the mountain  
Baby, I'll take you up tonightFaded, this I feel  
Behind the blue clouds I remain concealed  
Lord, lift me out of the night  
Come on, look down and see the mess I'm in tonightYou can believe in me, baby  
Can I believe in you?  
I wish I could remember what you said  
When I said enoughYou said, good boy, bad boy, kill joy  
Get your ass over here, boy  
And since I know myself so well  
Don't breathe a word, don't you ever tellFaded, this I feel  
Behind the blue clouds I remain concealed  
Lord, lift me out of the night  
Come on, look down and see the mess I'm in tonightYou can believe in me, baby  
Can I believe in you?  
That secret's gonna kill you  
In the end, baby, it's gonna kill youFaded, this I feel  
Behind the blue clouds I remain concealed  
Lord, you lift me out of the night  
Come on, look down, yeah, yeah, yeah
