

# Arthur's Theme

**John Livingston**

Once in your life you find her  
Someone that turns your heart around  
And next thing you know you're closing down the town  
Wake up and it's still with you  
Even though you left her way across town  
Wondering to yourself, "Hey, what've I found?"

[Chorus]

When you get caught between the Moon and New York City  
I know it's crazy, but it's true  
If you get caught between the Moon and New York City  
The best that you can do,  
The best that you can do is fall in love

Arthur he does as he pleases  
All of his life, he's mastered choice  
Deep in his heart, he's just, he's just a boy  
Living his life one day at a time  
And showing himself a really good time  
Laughing about the way they want him to be

[Chorus:Repeat x2]
