Battlefield

Lea Michele

Itâ€™s easy to fall in love, but itâ€™s so hard to
Break somebodyâ€™s heart
What seemed like a good idea has turned into a battlefield

Once lust has turned to dust and all thatâ€™s leftâ€™s held breath
Forgotten who we first met
What seemed like a good idea has turned into a battlefield
We both know itâ€™s coming, does illusion count for something we hide?
The surface tensionâ€™s gotta break, one drop is all it takes to flood out this lie

You and I we have to let each other go
We keep holding on but we both know
What seemed like a good idea has turned into a battlefield
Peace will come when one of us puts down the gun
Be strong for both of us, no please donâ€™t run, donâ€™t run
Eye to eye we face our fears, unarmed on the battlefield
We seemed like a good idea (x2)

No blood
Will spill if we both get out now
Still itâ€™s hard to put the fire out
What seemed like a good idea has turned into a battlefield

Feelings are shifting like the tide, and I think too much about the future
What seemed like a good idea has turned into a battlefield
We both know itâ€™s coming, does illusion count for something we hide?
The surface tensionâ€™s gotta break, one drop is all it takes to flood out this lie

You and I we have to let each other go
We keep holding on but we both know
What seemed like a good idea has turned into a battlefield
Peace will come when one of us puts down the gun
Be strong for both of us, no please donâ€™t run, donâ€™t run
Eye to eye we face our fears, unarmed on the battlefield
We seemed like a good idea (x4)
