

Harvest Moon (Neil Young cover)

[Cassandra Wilson](#)

Come a little bit closer
Hear what I have to say
Just like children sleepin
We could dream this night away. But theres a full moon risin
Lets go dancin in the light
We know where the musics playin
Lets go out and feel the night. Because Im still in love with you
I want to see you dance again
Because Im still in love with you
On this harvest moon. When we were strangers
I watched you from afar
When we were lovers
I loved you with all my heart. But now its gettin late
And the moon is climbin high
I want to celebrate
See it shinin in your eye. Because Im still in love with you
I want to see you dance again
Because Im still in love with you
On this harvest moon.
