[Danzig](#)

Who climbs the devil's spine  
Sign your name  
Who climbs the devil's spine  
Sign your name who claims the soulless  
Who speaks for the forgotten dead who rides to hell tonight  
Stake your claim  
Who rides to hell tonight  
Stake your claim who claims the soulless  
Who speaks for the forgotten dead who climbs the devil's spine  
Sign your name  
Who rides to hell tonight  
Stake your claim who claims the soulless  
Who speaks for the forgotten dead  
Who claims the soulless  
Who speaks for the forgotten dead
