Love Ya

Keri Hilson

Don't it seem like they just want us to be over?
Don't it sound like hate when they don't even know ya?
They got some much to say,
Like they lookin' out for me
Never gave me no reason to think you're cheatin'
So why they keep tellin' me, "Keri, you should leave him"?
But, baby, I'm stayin' here
They don't mean a thing to me
You could be a thousand miles away,
Or be right here in the studio,
Nothing would change
So, baby, there is nothing they can say
No matter how hard they try
I still feel the same way
I'm not afraid to say that I love ya,
'Cause I'm not afraid of how I feel
Why would I need to be out with another,
If I know what I got at home is real?
Don't need to be with a bunch of men to know you do me the best,
Don't need a million opinions to know you ain't like the rest
I'm not afraid to say that I love ya
And I'll let the whole world know (I'm in love)
I'm in love, I'm in love
They say in time, I'm gonna want some other action,
Say curiosity is gonna take over my actions
They say you may be my first,
But you ain't gonna be my last
That's when I tell 'em you surpass my satisfaction
In every way and that's right, this is gonna last and
If you've ever wondered what I say
I tell 'em that

You could be a thousand miles away
Or would be right here in the studio
And nothing would change
So, baby, there is nothing they can say
No matter how hard they try
I still feel the same way
I'm not afraid to say that I love ya,

Cause I'm not afraid of how I feel
Why would I need to be out with another
If I know what I got at home is real?
Don't need to be with a bunch of men to know you do me the best,
Don't need a million opinions to know you ain't like the rest
I'm not afraid to say that I love ya
And I'll let the whole world know (I'm in love)
I'm in love, I'm in love
I'm not afraid to say that I love ya,
Cause I'm not afraid of how I feel
Why would I need to be out with another
If I know what I got at home is real?
Don't need to be with a bunch of men to know you do me the best,
Don't need a million opinions to know you ain't like the rest
I'm not afraid to say that I love ya
And I'll let the whole world know (I'm in love)
I'm in love, I'm in love
I'm not afraid to say that I love ya,
Cause I'm not afraid of how I feel
Why would I need to be out with another
If I know what I got at home is real?
Don't need to be with a bunch of men to know you do me the best,
Don't need a million opinions to know you ain't like the rest
I'm not afraid to say that I love ya
And I'll let the whole world know (I'm in love)
I'm in love, I'm in love
