

Have I Told You Lately?

Tony Bennett

Often through the day as I work away
I resolved to get home early with roses for my girly
And kiss her hand
Her lips, her nose and say Have I told you lately
You look so lovely
Each time I see you
My heart melts away In the rush of little
Everyday things
Sometimes you don't say things
You mean to say Have I mentioned lately
I'm glad you took me
Instead of hooking someone
With the million or two When I think of all the girls
I could have been stuck with
I sure was in luck with
The one I drew Have I told you lately
How much your husband loves you?
