Just For You

Ankore

Just for you, just for you, just for you, my love
Woah for you, just for you, my love
Woah yes my dear, I finally realize
I finally realize that it's just for you
When you see me workin' all night long
Workin' till my stress was gone
It's for you, oh listen dear
I finally realize it's all for you
Yeah, when you see me workin' all the day
Workin' all of my stress away
It's for you, oh yes it is
I finally realize it's all for you
Just for you, woah, could it be for you?
Just for you, just for you, woah, just for you
Now yes my dear, I finally realize
I finally realize that it's just for you
When you see me workin' all the day
Workin' all of my stress away
It's for you, oh yes it is
I finally realize it's all for you
Yeah, when you see me spendin' all of my money
Just to give you a good time, honey
It's for you, oh I finally realize
I finally realize it's for you
It's for you, for nobody else but you my love, it's for you
Sweetheart, I know it's for you, woah, it's for you, love
Yes my dear, I finally realize
I finally realize that it's just for you
Just for you, just for you, it's just for you, just for you
Just for you, just for you, it's just for you
