

Ave Maria (Survivors Of A Different Kind)

Jennifer Rush

A ave Maria
A ave Maria
Oo oo oo ooWere taking over the station
Survivors of a different kind
Messages of old dimensions say that were wiseA ave Maria
A ave Maria
Oo oo oo ooSensations are out on parade now
Thoughts have ended up left behind
Going round in circles fighting hidden desiresA ave Maria
A ave MariaThe signals are there to read
It's never that hard to see
Stop wasting your time you will find
Natures not always kindA ave Maria
A ave MariaA ave Maria
A ave Maria
A ave Maria
A ave Maria
