I Believe In Love

[The Babys](#)

All I've ever wanted is not to be alone
Everywhere I go, people say it shows
They all tell me that it's wrong to live alone
I believe, say, they believe in loveCould you walk out on me?
I wanna love you and I long to agree
Could you stand in my way?
I wanna love you some other dayCould you stand in my way?
I wanna love you girl some other day
Could you walk out of me
I wanna love you and I long to agreeI believe in love
Oh, I believe, I believe it so
I believe, I believe in love
Oh, I believe in love
I believe in love
Oh, I believe in love
Yeah, yeah, yeahAll I need, all I need is love
(I need your love)
All I need all I need is your love baby
