

Sedative (Live At the S.E.C.C.)

Babyshambles

Sedative
Sedative
Was my hero
Oh, it was What's it really like now
It's been a long, long time since I've step outside
To the morning sun now
Would you take me out now? Take me by the hand now
It's been a long, long time since I've step outside
To the morning sun Sedative
Sedative
Was my hero
And I had a hit [Incomprehensible] Sedative
It was my hero
And I had a hit on it What's it really like now
It's been a long, long time since I've step outside
To the morning sun now
Would you take me out now? And I crawl along now
It's been a long, long time since I've step outside
To the morning sun My faith in you
[Incomprehensible]
Yes, I got faith in you What's it really like now
It's been a long, long time since I've step outside
To the morning sun now
Would you take me out? And I crawl along now
It's been a long, long time since I've step outside
To the morning sun My faith in you
Faith in you
My faith in you
