You Love It

Shampoo

We won't try to justify
All the things we do to make you cry
Just sit back and take it slow
We'll inflict another blowDon't you think it's kind of strange
That we get the pleasure and you get the pain
You love it, you love it, when we're bad to you
You love it, can't get enough of it, you love it, yes, you doWe don't mean to be unkind
Stop that now or you'll go blind
We are filled with delight
When we make you feel uptightDon't you think it's kind of strange
That we get the pleasure and you get the pain
You love it, you love it, when we're bad to you
You love it, can't get enough of it, you love it, yes, you doNow we're gone and you are feeling drained
It wont be long 'til we have to do it all over again
Can't get enough of itDon't you think it's kind of strange
That we get the pleasure and you get the pain
You love it, you love it, when we're bad to you
You love it, can't get enough of it, you love it, yes, you doYeah, you do
Yeah, you do
Yeah, you do
