

Some Other Time

The Alan Parsons Project

In the matter of a moment
Lost till the end of time
It's the evening of another day
And the end of mine
Now the starlight which has found me
Lost for a million years
Tries to linger as it fills my eyes
Till it disappears
Could it be that somebody else
Is looking into my mind?
Some other place
Somewhere, some other time
Some other place
Somewhere, some other time
Like a mirror held before me
Large as the sky is wide
And the image is reflected
Back to the other side
Could it be that somebody else
Is looking into my mind?
Some other place
Somewhere, some other time
Some other place
Somewhere, some other time
