

Hunter

Pharrell Williams

Just because it's the middle of night
That don't mean I won't hunt you down
'Cause up, in, deep inside
It's pullin' me and I want your love
You and I should be gettin' it right
Ain't no sense in you holdin' on down
If I can't have you, nobody can
This an animal singin' that'll hunt you down So baby, ooh-ooh
My love is kung fu-uuh
And baby, ooh-ooh
My love is kung fu-uuh
Hey baby, ooh-ooh
Sex is kung fu-uuh
Hey baby, ooh-ooh
My love is kung fu-uuh I show my teeth
And I hope you know that look in my eyes
I got lightnin' speed
I won't hesitate to rescue what is mine Well, hold up baby, what's goin' on?
Tell the truth, I wanna know
What you're doin' when we go
Somethin' say you ain't allowed
You say, "Baby keep holdin' on"
What you mean? I've been holdin' on
I ain't ever smelled this before
Somethin' say it's time to go Just because it's the middle of night
That don't mean I won't hunt you down
'Cause up, in, deep inside
It's pullin' me and I want your love
You and I should be gettin' it right
Ain't no sense in you holdin' on down
If I can't have you, nobody can
This an animal singin' that'll hunt you down So baby, ooh-ooh
My love is kung fu-uuh
And baby, ooh-ooh
My love is kung fu-uuh
Hey baby, ooh-ooh
Sex is kung fu-uuh
Hey baby, ooh-ooh
My love is kung fu-uuh Taxidermy is on my walls

With the full description of the killin' calls
I'm a hunter
Cupid, thank you for what you did
But you can't aim and get what I get
I'm a hunter Well, hold up baby, what's goin' on?
Tell the truth, I wanna know
What you're doin' when we go
Somethin' say you ain't allowed
You say, "Baby keep holdin' on"
What you mean? I've been holdin' on
I ain't ever smelled this before
Somethin' say it's time to go Just because it's the middle of night
That don't mean I won't hunt you down
'Cause up, in, deep inside
It's pullin' me and I want your love
You and I should be gettin' it right
Ain't no sense in you holdin' on down
If I can't have you, nobody can
This an animal singin' that'll hunt you down So baby, ooh-ooh
My love is kung fu-uuh
And baby, ooh-ooh
My love is kung fu-uuh
Hey baby, ooh-ooh
Sex is kung fu-uuh
Hey baby, ooh-ooh
My love is kung fu-uuh Duck Dynasty's cool and all
But they got nothin' on a female star
I'm a hunter
Is that the truth? Is that camouflage?
Come get eaten by the dam mirage
I'm a hunter Well, hold up baby, what's goin' on?
Tell the truth, I wanna know
What you're doin' when we go
Somethin' say you ain't allowed
You say, "Baby keep holdin' on"
What you mean? I've been holdin' on
I ain't ever smelled this before
Somethin' say it's time to go You're leaving me
What on for the 'let it go'
You can't be serious
You know what's on my blood
Hey! So baby, ooh-ooh
My love is kung fu-uuh
And baby, ooh-ooh
My love is kung fu-uuh

Hey baby, ooh-ooh
Sex is kung fu-uuh
Hey baby, ooh-ooh
My love is kung fu-uuh
