

# Felt Good On My Lips

## Downstairs Productions

Said her name was a hand me down name  
From the side of a family that long ago came  
Over here on a boat from somewhere in Spain  
Sounded to me just a little bit strange, I guess.

But I have to admit  
It felt good on my lips.

She tipped the DJ to play her favorite song  
A Spanish little number that was a rockin' on strong  
She took my by the seat and said lets go and get it on  
By the second chorus I was singing right along with it

I don't know what it meant  
But it felt good on my lips.

Oh oh oh I wanna go crazy  
You can go crazy too  
Oh oh oh I wanna go crazy  
Wanna go crazy with you  
Everybody sayin' whoaaa how sweet it is  
(whoaa oooh)  
Whoaaa, yeah it felt good on my lips

She ordered us a drink  
It was a purple kind of pink  
She said it's got a shot of a little bit of everything  
Mello yellow umbrella for a fella like me  
It was just a bit mello for me to be sing with  
But I took a sip  
Yeah it felt good on my lips

Oh oh oh I wanna go crazy  
You can go crazy too  
Oh oh oh I wanna go crazy  
Wanna go crazy with you  
Everybody sayin' whoaaa how sweet it is  
(whoaa oooh)  
Whoaaa oh, yeah it felt good on my lips

guitar solo

When the lights came on and they hollered last call  
I was busy getting lost in her cherry lip gloss  
In a little corner both i dont like no talk  
She leaned in close and gave me one long  
And with one goodnight goodbye kiss  
And It felt good on my lips

Whooaa oh how sweet it is  
(whoaa oooh)  
Whoaaaa oooooh (oooh)  
Whooaa oh how sweet it is  
(whoaa oooh)  
Whoa ooooh, yeah it felt good on my lips
