

# Carnaval (feat. Pitbull)

Claudia Leitte

[Chorus: Claudia Leitte]

This is my Carnaval aye aye aye ha

This is my Carnaval aye aye aye ha

Shake it and drop it, shake it and drop it

You know it's going down

Everybody dancing, everybody jumping

Let's get it started now

This is my Carnaval[Verse 1: Pitbull]

We made history together, opened up the World Cup

We 'bout to do it again, now baby, buckle up

From Miami to Brazil

Claudia pass the torch like Olympics in Rio

Girl, you got that hmmm

Girl, you got that real

Me I got that glow

Yeah, you know the drill

Hit them with that samba, show them what it is

And after Carnaval we can all hit the crib

Obrigado, Claudia Leitte

Here we go again

Speaking to the world

Here we go again

In Carnaval

Here we go again

Now move this drop, everybody hands up

[Chorus: Claudia Leitte]

This is my carnaval aye aye aye ha

This is my carnaval aye aye aye ha

Shake it and drop it, shake it and drop it

You know it's going down

Everybody dancing, everybody jumping

Let's get it started now

This is my carnaval aye aye aye ha

This is my carnaval aye aye aye ha

Shake it and drop it, shake it and drop it

You know it's going down

Everybody dancing, everybody jumping

Let's get it started now

This is my Carnaval

[Verse 2: Claudia Leitte]

Give me rhythm, give me flow  
Give it up, boy, I need some more  
Take my body to the floor tonight  
Touch me good, baby, come and do me right  
Jiggle it and take it low  
Blow the trumpets, baby, blow  
We can dance until the morning light  
We can do, we can do this thing for life  
Samba

A little bit of rumba

With a bit of salsa

Play it over and over[Chorus: Claudia Leitte]

This is my Carnaval aye aye aye ha  
This is my Carnaval aye aye aye ha  
Shake it and drop it, shake it and drop it  
You know it's going down  
Everybody dancing, everybody jumping  
Let's get it started now  
This is my Carnaval aye aye aye ha  
This is my Carnaval aye aye aye ha  
Shake it and drop it, shake it and drop it  
You know it's going down  
Everybody dancing, everybody jumping  
Let's get it started now

This is my Carnaval[Verse 3: Claudia Leitte]

Deja deja de llorar  
El pasado es pa borrar  
Adelante no hay que parar  
El camino es mio pa tomar  
Sigue sigue, quiero mas  
Mi destino y mi compass  
Y el amor, yo voy a encontrar  
Por que yo siempre voy a amar

Samba

A little bit rumba

With a bit of salsa

Play it over and over[Chorus: Claudia Leitte]

This is my Carnaval aye aye aye ha  
This is my Carnaval aye aye aye ha  
Shake it and drop it, shake it and drop it  
You know it's going down  
Everybody dancing, everybody jumping  
Let's get it started now  
This is my Carnaval aye aye aye ha

This is my Carnaval aye aye aye ha  
Shake it and drop it, shake it and drop it  
You know it's going down  
Everybody dancing everybody jumping  
Let's get it started now  
This is my Carnaval
