New Moves

Twerps

Old days we send away, I'm looking back at her, she's looking straight through my ways
Simple traits, rearranged, she's looking back at me, I'm seeing the fear in my waysI just waste so many days
La la la la
I've got a place over here
La la la la
I'm jumping out of my skin
La la la la
Will I jump again?
She asks whats the deals? She's wanting more from me, and I'm changing all of my ways
Day by day, my face will fade, I'm looking back at her, she's falling from my old ways
