

New Moves

Twerps

Old days we send away, I'm looking back at her, she's looking straight through my ways
Simple traits, rearranged, she's looking back at me, I'm seeing the fear in my ways I just waste so many days

La la la la

I've got a place over here

La la la la

I'm jumping out of my skin

La la la la

Will I jump again?

She asks what's the deal? She's wanting more from me, and I'm changing all of my ways

Day by day, my face will fade, I'm looking back at her, she's falling from my old ways
