Falling From the Sun

The Album Leaf

If the sky is burning
When the clouds move in
We come so close
When we just missWe can't see the start
We can't hide the endFind our way to fall
Find our way to fall
Find our way to fall
Find our way to fallI can't see between
I can't find the need
We come so close
When we just missFind our way to fall
Find our way to fall
Find our ways to, find our way
Find our way to fallWe can't see the start
We can't hide the end
When the sky is burning
If the clouds move inFind our way to fall
Find our way to fall
Find our ways to, find our way
Find our way to fallAnd here we are
Locked together
And here we are
Falling from the sunAnd here we are
Locked togetherFind our ways to, find our way
Find our way to fall
Find our ways to, find our way
Find our way to fallFind our ways to, find our way
Find our way to fall
Find our ways to, find our way
Find our way to fall
